

Modified Admissions and Application Process

Drake State is currently accepting applications for enrollment for the 2020 Summer semester

For information about admission requirements, click [here](#).

On the [Admissions Login page](#), click “First time user account creation” in the middle of the page.

Create a login ID and PIN.

Login and follow the prompts to complete the application.

Complete the entire application and submit.

You will receive an automatic reply email which has embedded links that contain the required in-state residency form, transcript request form and ACCUPLACER (placement test) link. ACCUPLACER testing is temporarily suspended but required forms must be submitted.

The Admissions Office is working remotely and forms cannot be delivered in person. Applicants must print and complete required documents and either scan or take a photo of the documents then submit them via email to monica.hawkins@drakestate.edu.

Additionally, applicants must submit a copy of a state or government issued ID (driver’s license, military ID, non-driver’s ID, passport, etc.). Be sure your name and student ID number are included in the email.

Have official high school/GED and college transcript(s) sent to the Admissions Office. High schools and/or colleges that have memberships through electronic vendors such as eSript, Parchment, National Student Clearinghouse, and Scribonline will send transcripts electronically. Schools that do not have memberships with electronic vendors must mail official transcripts to:

Drake State Community and Technical College
3421 Meridian Street
Huntsville, AL 35811
